### **Here Am I To Give of My Blessings**

God made the sun - it gives.

God made the moon - it gives.

God made the stars - they give.

God made the air - it gives.

God made the clouds - they give.

God made the earth - it gives. God made the trees - they give.

God made the sea - it gives.

God made the flowers - they give.

God made the fowls - they give.

God made the beasts - they give.

God made man - he . . . ?

God is a giving God, because God is a loving God. It's easy to see that God's giving is motivated by his character and very nature to love (1 John 4:8, John 3:16). So if I have to give of my blessings in a godly manner, it means that my love for God ought to be manifested in my giving. The Christian must realize that he is first blessed, so that he may give of his blessings. You cannot give what you don't possess. We have been blessed beyond measure in Christ Jesus. The resources at our disposal belong to God and he continues to give beyond measure (Philipp 4:19). We have to continue in his "Shovel Principle". The story is told of a farmer who was known for his generous giving. His friends could not understand how he could give so much away and yet remain so prosperous. One day a spokesman for his friends said, We cannot understand you. You give far more than the rest of us and yet you always seem to have more to give. Oh, that is easy to explain, the farmer said; I keep shoveling into God's bin and God keeps shoveling into mine, but God has the bigger shovel! We have been blessed to be a blessing, so here we are to give of our blessings! L.L. Cooper
