## Starting NEXT MONDAY

## 8th - 12th Aug

All around us there is a constant reminder that our children are on vacation. Camps are running, lessons are in session and children are involved in many extracurricular activities. During the vacation parents wisely take the opportunity to get their children involved in activities that would lead to growth and development.

With this in mind, we all have a great avenue to contribute to our children's spiritual development through Vacation Bible School. Let's not think of this week as "giving or children something to do" to "keeping them busy". We have an opportunity to expose them to stories, songs, activities and concepts that will shape their minds to make healthy decisions in the future.

We're looking forward to having a SUPER VBS! We trust that all of us will also take the opportunity to make spiritual deposits in our children's lives and also to invite our friends, neighbors and associates so that they too can come to know the God that we serve.

**Another Gunman, Another Example**

When will it end? In the terrorist landscape today, the lone wolf or wolves are seemingly leading the pack. From France to Germany to America the killings are senseless and brutal. We are living in a world where ideals are at their lowest and the inability of man to deal with his issues, seems to be at its highest. How is it that the child of God is ever to make a difference? God's people have to realize that we have the only answer that matters. Everything else is simply a small bandage to a large gaping wound! The Gospel of Jesus Christ is still powerful but it needs a vehicle, yes a vehicle to run into the crowd of ignorance and unbelief. To maim and destroy sin at its core. This world doesn't need another gunman, it needs another godly example!

Paul says in 2 Corinthians 10:3-6 "For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ,". Paul shows us that even though we live in the flesh, we shouldn't use a fleshly mindset to combat evil in this world. Christians are called to be different and we show that by our example. Paul reminds us in Romans 8:5-8 "For those who live according to the flesh set their minds on the things of the flesh, but those who live according to the Spirit set their minds on the things of the Spirit. For to set the mind on the flesh is death, but to set the mind on the Spirit is life and peace. For the mind that is set on the flesh is hostile to God, for it does not submit to God's law; indeed, it cannot. Those who are in the flesh cannot please God. Are you trying to please God?"

The encouragement is to be a godly example!
