"WHY FEAR, THE LORD WILL HELP YOU" - ISAIAH 41:13

God's people are fearful sometimes. As we look at one of God's great prophets of old in the person of Isaiah, we see God's people fearful, when they should not be. The book of Isaiah is called the miniature Bible, due to the fact that the book is made up of 66 chapters (like the 66 books of the Bible) and two major divisions (like the Old Testament and New Testament of the Bible). Interestingly though, is the fact that the first 39 chapters deal with Judgement, while the last 27 chapters focus on mercy and comfort. God demonstrates his power as a sovereign Ruler over Israel but also over all the kingdoms of men. So when God's people find themselves with their backs against the proverbial wall, based on self-inflicted wounds, they are not to despair but we are reminded that the Lord will help, in spite of their unfaithfulness and fear. God wanted Israel to trust in him but God's people are seemingly beset by the sin of unbelief. Judah demonstrated this when its King Ahaz made a secret pact with Assyria because of an impending war with Syria and Israel. Assyria did attack and take into captivity Israel in 722 B.C. but Judah became a vassal state of Assyria. Judah had to pay for their security, when at their disposal, they had the security of the Almighty. But man's security is no security at all. Assyria turned around and attacked Israel. Their security became their main enemy. When we know who we are and whom we serve, we will have nothing to fear, for the Lord will help us!
