A Missing plane or Missing out on Heaven ?

Another airplane has gone missing ! EgyptAir Flight MS804 left France on Thursday, 19th May ,destined to Cairo, Egypt. It never made it. Conspiracy theories abound as wreckage and bodies are being pulled out of the Mediterranean Sea. If you were an intended passenger of this flight, wouldn't you want to miss that particular flight ? I guess you would. But there's a flight you don't want to miss, even if your demise might be requested, you really don't want to miss this flight. Planes could go missing, you can even miss a flight but you don't want to miss Heaven ! According to the **Lexham Bible Dictionary**, *Heaven is the term used in the Bible to indicate the space where God and various spiritual beings reside. It is also used to speak of the area above the earth—the sky.* So Heaven in the simplest of terms is where God is and it's where he wants you to be (**John 14:1-5, 1 Peter 1:3-4**). The apostle Paul in **2 Corinthians 5:1-4** says "**For we know that if the tent that is our earthly home is destroyed, we have a building from God, a house not made with hands, eternal in the heavens. For in this tent we groan, longing to put on our heavenly dwelling, if indeed by putting it on we may not be found naked. For while we are still in this tent, we groan, being burdened—not that we would be unclothed, but that we would be further clothed, so that what is mortal may be swallowed up by life.** Paul shows in verse one that we have a well crafted and eternal abode as faithful children of God, but then he shows in verses three and four, that heaven isn't just a destination but it's also a motivation! What are you willing to do to make it heaven? More than that, are you allowing God to do all that he needs to do in you, so that you could be with him in eternity? There are a lot of things we sometimes dedicate a significant amount of time to, but they don't accrue to our heavenly account. Is it possible that your daily activity, is allowing you to miss heaven ? L.L Cooper
