## Submit to Jesus or Go to Hell

The title sounds too blunt ? It's because I want to make a point. People are dying daily without the Lord. Diseases many, accidents regularly and killings are on the upsurge. People are still dying without Jesus. What are we to do ? If people are dying without Jesus, they are going to hell because Jesus said , "I am the way, and the truth, and the life. No one comes to the Father except through me." John 14:6. There's no other way or person that could place us in a relationship with the Heavenly Father. Do you have a friend, family member or just an acquaintance whom died recently? Did they have a real relationship with the real Jesus? The real Jesus I said because the Apostle Paul says in 2 Corinthians 11:3-4, "But I am afraid that as the serpent deceived Eve by his cunning, your thoughts will be led astray from a sincere and pure devotion to Christ. For if someone comes and proclaims another Jesus than the one we proclaimed, or if you receive a different spirit from the one you received, or if you accept a different gospel from the one you accepted, you put up with it readily enough". To be religious is never enough (Acts 10:1ff). Many people in the world have another Jesus! We have the true Jesus but sometimes, we don't share him enough. He is enough for a lost and dying world, for if we don't share him, people are going to Hell. Jesus was the one who said in, Matthew 7:13-14, "Enter by the narrow gate. For the gate is wide and the way is easy that leads to destruction, and those who enter by it are many. For the gate is narrow and the way is hard that leads to life, and those who find it are few". Following Jesus wouldn't be easy but it would be truly worth it. The most troubling thing about hell isn't just the fire and torment, it's the fact that individuals would be separated from God for an eternity, hell is called the "second death"(Revelation 21:8)The term death really speaks to separation. Are we doing all that could be done to share the message of Jesus with the lost ? If not our reality might be, that we're, hoping for heaven but yet heading to hell ! Too blunt ? I trying to make a point. Be blessed.
